Made-up data for a software prototype. Not a real patient.

Psychological evaluation

PRE-SURGICAL PSYCH EVAL 07/28/2026

Langston, Marguerite

No eating disorder. No mood disorder currently. Good understanding. Cleared.

Made-up data for a software prototype. Not a real patient.

Surgical plan

OPERATIVE PLAN - KINGSBRIDGE 09/23/2026

Langston, Marguerite D. MBR-24489

Lap RYGB, CPT 43644. Admit 11/05/2026 inpatient.

Expected LOS: 2 midnights.

Factors: hostile abdomen (prior open TAH and open ventral hernia repair with mesh) w/ anticipated extensive adhesiolysis and higher risk of enterotomy - needs observation for leak; history of drug-induced pancreatitis.
